## It Reached the Spot.

Mr. E. Humphrey, who owns a large general store at Omega, O., and is president of the Adams County Telephone Co., as well as of the Home Telephone Co., of Pike County, O., says of Dr. King's New Discovery: "It saved my life once. "Made in a minute" says the doctor. Sold by Penny's Drug Store.

Stop that pressure with Dr. Shoop's Headache Tablets and pain is instantly gone. 20 Tablets 25c Sold by Penny's Drug Store.

Costing about as much as a good horse, the camel's speed is equally as great, his life considerably longer and his ability to carry a load equal to that of three horses, while the fact that he can travel a week, if necessary, nearly two weeks, without water, renders him invaluable to those great sandy stretches. says the National Geographical Magazine. ### DEMOCRATIC TICKET.

For Congress

HARVEY HELM

of Lincoln county.

THE New York Herald says the situation is like this: "Total votes Denver convention, 1,008; needed to nominate, 672; delegates already for Bryan, 217; delegates probably against Bryan, 129; doubtful or uncommitted, 114; delegates probably for Bryan, 548. Thus while it will be seen that Bryan's nomination is not a certainty, he will probably have 765 votes in the convention, or nearly 100 more than is necessary to nominate."

MRS. ELLA HUTCHESON ELWANGER has resumed her position as society editor of the Frankfort Journal after an illness of several months. She is an indefatigable worker, a splendid writer and her column is one of the many good features of the Journal. We know very few people in Frankfort but enjoy her contributions notwithstanding. Mrs. Elwanger can make society gossip more readable than any person we know of.

It cost the little fellow Seekamp \$1,000 and considerable annoyance to reproduce a lie on Gov. Beckham but it will be worth more than that as experience. The Criterion has ceased publication and Seekamp will try another vocation. Louisville is thus rid of one of its vile publications. Which will be the next to throw up the sponge?

GOV. WILLSON is expected to act on the petitions for the pardon of Caleb Powers and James Howard within the next few days and it is reported that he will extend executive clemency to both. In fact we have a straight tip that the governor will pardon both of the now noted criminals before this week is over.

TAFT leaders say that they will organize the Fifth district republican convention, and that Col. Sam H. Stone will be made chairman. They also say they will organize the State convention without difficulty. Looks like Taft will have smooth sailing.

THE Courier-Journal's support of Mr. Bryan will hurt the great Nebraskan here. Our true blues get suspicious of the democratic candidate the C.-J. supports. "Twere better for the great Commoner that the Courier-Journal opposed him."

NOTWITHSTANDING the charges of graft against him, Senator Joe Bailey will head the delegation from Texas to the Denver convention. A terrific fight was made against him, but he seems to have overcome all obstacles.

MARK our prediction! Caleb Powers and James Howard will be pardoned before this week is over.

### POLITICAL.

The Democrats of Ohio will meet in convention at Columbus to-day to nominate a State ticket.

Headquarters of the Republican National Committee will be opened in Chicago on Monday, May 11.

In the event that the Democrats carry the next House it is said that Champ Clark, of Missouri, will be the Speaker.

Democrats of Ohio will meet in convention to-day at Columbus. Bryan will be endorsed and Harmon probably nominated for governor.

It is said that it is part of the Roosevelt programme to urge Secretary Cortelyou for the Republican nomination for Governor of New York.

William Black, minority leader in the General Assembly two years ago, has announced his candidacy for the chairmanship of the Eleventh District Republican Committee.

Three State conventions are scheduled for to-day. Ohio Democrats will meet at Columbus, Connecticut Republicans at Hartford and New Jersey Republicans at Trenton.

A petition has been sent to the Alabama Democratic State Executive Committee asking that the name of Gov. John A. Johnson be placed on the ballots at the democratic State primary.

At a Republican convention held at Beattyville for the purpose of electing district committeemen, Wes Spicer and Cain Estes got into a difficulty in which both men were shot, Estes seriously.

Under the terms of a bill introduced by Representative Cooper, of Texas, the State of Texas is reimbursed to the extent of \$5,000,000 for cotton taxes levied by the Government from 1863-1868, inclusive.

Representative Langley is urging the president to appoint George Denny, of Lexington, to the position of solicitor of the Bureau of Internal Revenue, made vacant by the resignation of Judge Hayes over a month ago. The place pays \$4,500 a year.

According to a statement made in New York by Gen. Stewart L. Woodford the name of Gov. Charles E. Hughes will not be withdrawn from the presidential canvass until the National Convention at Chicago has made its choice of candidates.

Gus Richardson, representative in the recent General Assembly from Meade county, has been appointed by the prison commissioners as farm superintendent of the Houses of Reform. This is a position created by the board to relieve in some measure the onerous duties of Superintendent Doak.

Senator McCreary will propose an amendment to the deficiency bill providing for the payment of claims filed with the quartermaster general for horses, saddles and bridles taken from Confederate soldiers in violation of the terms of surrender agreed upon between Gens. Lee and Grant. The Senator asks that \$20,000 additional be allowed, and the time for filing claims be extended one year.

That strange African lake, Lake Tchad, has been the subject of renewed attention within the past two years, and the fact that in a period of 20 years it alternately increases and decreases in size and depth seems to have been well established. Four or five years after the beginning of the period the level of the lake became very low, and then rose again to the former height. In 1906 the lake was very low. According to native records, it was nearly dried up between 1828 and 1833. Twenty years later the level of the water was very high.

### A Californian's Luck.

"The luckiest day of my life was when I bought a box of Bucklen's Arnica Salve," writes Charles F. Budahn, of Tracy, California. "Two 25c boxes cured me of an annoying case of itching piles, which had troubled me for years and that yielded to no other treatment." Sold under guarantee at Penny's Drug Store.

"Why don't you insist on having all offices filled by strictly careful and conscientious men?"

"One reason," replied Farmer Corn-tassel, "is that it seems to be against the rules to let the offices stand vacant while we look for them."

"Your husband says he works like a dog," said one woman.

"Yes, it's very similar," answered the other. "He comes in with muddy feet, makes himself comfortable by the fire and waits to be fed."

A New York dispatch states that Mrs. Hetty Green never uses the telephone. That accounts for the fact that Hetty is a good Christian and has accumulated a comfortable bank account.—Frankfort Journal.

The New Aveline Hotel at Fort Wayne, Ind., was burned and 30 lives may have been lost. The known dead number 10 and the police believe there are 20 bodies in the ruins.

Mayor Grinstead says that no betting will be tolerated on the races which will begin at Louisville this afternoon. This is a black eye to the meeting.

Floyd Frazier will be hanged at Whitesburg July 3 for murdering Mrs. Ella Planey. It will be Letcher county's first legal execution.

### MATRIMONIAL.

Dudley Leathers and Miss Pearl Johnson, well-known young people living a short distance from Harrodsburg, were married last week.

As a broken and bereaved family we wish to express our appreciation of the kindness and loyalty of our Lincoln county friends and former neighbors who remembered us in this time of deepest sorrow. W. H. Johnson.

### GILBERT CREEK BARGAIN STORE.

Take no one's word for it but come and see my Spring suits. Also Fine Goods. A few suits at cost left yet. I will be very grateful for your patronage.

D. J. SMITH.

### Pence, Jr.

Mare kept at \$2 per month; not responsible for accidents or escapes should any occur.

J. Z. SPOONAMORE, Rowland, Ky.

### PRESTON 922.

(Vol. II.)

Preston is one of the greatest five-gaited show horses that Kentucky has ever produced. He is a son of the Kentucky Fair and also at the horse shows at Louisville, St. Louis and Kansas City. He is a brown horse with black points, 16 1/2 hands high, with fine style and very high action.

Sired by Washington 54. First dam Bell, by Rhoderick 104.

It is useless to commend him, as the people of this and adjoining counties know his record as a show horse and also for breeding purposes.

He will make the season of 1908 at my stable in Crab Orchard at \$15 to insure a living colt. Will keep mare on grass at \$2 per month, but not responsible for accident or escape of stock. Season due if mare is traded or parted with.

J. C. BAILEY, Crab Orchard, Ky.

Made over Versailles track in winning race, sired by Anteo 2:16 1/2, that sold for \$50,000 at public sale, 1st dam Mary Ann, by Hall-street son of the Kentucky Fair. These two crosses produced The Abbot, 2:30 1/2, champion trotting gelding of the world, 2nd dam by Independence, son of the Kentucky Fair. The American Star and Andrew Jackson blood is responsible for Antecarlo's 2:26 1/2. You see Antecarlo's two top crosses are responsible for the fastest gelding, two next crosses are responsible for the fastest stallion. Then you see he is better bred than either of them for he has the blood of both. Antecarlo is a solid brown horse, 15 1/2 hands high, weighing 1,700 pounds, fine style and action. Will stand at \$10 to insure mare colts and \$8 to insure horse colts.

### BUCK VARNON.

This son of Chester Dare will make the present season at my barn 1 1/2 miles from McKinney on McKinney and Middleburg pike at \$10 to insure a living colt.

Dixie Prince and Peavine. He is a black with star in forehead, 16 hands high, with all the style and finish characteristic of the Chester Dare family, good acting horse and a proven breeder. See him before booking your mares if you are looking for a good breeder at living price. Sired by Chester Dare, 1st dam by Telegraph, 2nd dam by Hippo by Mambrino Chief.

### Chester Peavine 3184,

A. S. H. R.

In offering the service of this young stallion to the public I do not hesitate to say he is the best bred saddle stallion that will be offered for service in this county this year, as his breeding will show. Sired by Rex Peavine 1706, he by Rex McDonald 888, 1st dam Miss Madison 4886, she by Chester Dare, 2nd dam Peavine 85, more extended pedigree will be furnished on application. This stallion has the best blood of the saddle horse world in him. Both 2nd dams by Peavine 85, crosses twice to Black Squirrel, twice to Stonewall Jackson, once to Dave Akin 775. With the style and finish of Chester Dare, the stamina and action of Peavine, how can he breed wrong. His sire, Rex Peavine, produced three championship winners of last year in Egan Mae, Mattie Bales and May Day. See and breed to him if you want the best. Will serve a limited number of mares at \$5 to insure a living colt.

At the same time and place will stand three or four mule jacks as can be found in the country at the low price of \$5 to insure a living colt.

Money due with all the above advertised stock when colt is foaled or when mare leaves hands of owner at time of service, or bred to other stock. All care taken to prevent accidents, but not responsible should any occur. Grass at reasonable price. R. S. SCUDDER, McKinney, Ky.

### Dorsey Goldust 12052.

Full brother to Estelle 2194. Sired by Zileadi Goldust 400. Dam Florence by Golden Mingo Chief, tracing back to Justin Morgan on both sides, making him an intensely bred Morgan stallion. He is a dark bay, 16 hands and weighs 1,300 pounds. ### DON VARRICK.

This magnificent bred young stallion will make the season of 1908 at my place in Stanford, Ky., better known as the Dr. (Vol. I) place) at \$15 to insure a living colt. Don Varrick is a rich chestnut, 16 1/2 hands, snip in forehead, white feet above ankles behind, short back, excellent bone and fine muscles just the type you are looking for to breed your mares. Don Varrick is by the great upward silver 2054, that sold for \$1,000, he by Onward (one of the very best sons of George Wilkes). Onward was out of Dolly and mare ever produced 2 of the best winners as Onward and Director. Onward Silver won the Transylvania in 1902 in a 7 heat race, defeating such talent as Susie Jay 2:05 1/2 and Chalm shot. The year before he won the Banner Memorial and Massachusetts in broken heats. Don Varrick's 1st dam by Wilkes boy by George Wilkes and a full sister to The Wag 2:15 1/2; 2nd dam, Mary, by Boggs' Grey Eagle, the dam of Madeline Patchen, she the dam of Rubber 2:10, Winchester 2:10 1/2, Billy Wilton 2:10 and Miss R. 2:20. This rich inheritance of speed and blood lines should appeal to the public who wishes to breed.

Mares kept at 10c per day. All care taken but will not be responsible for accidents or escapes.

DR. G. G. PERRY, Stanford.

Sired by Gambetta Wilkes 2:19 1/2, the sire of 20 in the 2:30 list, 16 in 2:10 and better, claimed to be the greatest sire in the world, 1st dam, Daisy Field (grand dam of 5 with records of from 2:17 to 2:38 1/2), by Enfield 2:20, son of Hamiltonian 2:10, by Seeley's American star. Enfield 2:20 has 6 in 2:30, his daughters have 60 in 2:30, or better, 2nd dam Quickstep by Kentucky Prince, Jr., sire of J. Q. 2:17 1/2, Lem-onde, 2:27 1/2, and dams of 15 in 2:30, 1st and 3rd dam by Old Joe, sire of the dam of J. Q. 2:17 1/2.

Galton carries the blood of four leading families: Hamiltonian, Wilkes, Mambrino Chief and Seeley's American Star.

Galton's colts are going against and defeating the best in harness classes and roadster rings, they are in great demand, selling as high as \$1,000, after maturity, yearlings from \$100 to \$200. Galton will stand at my stable 2 miles west of Hustonville on Bradfordville pike at \$15 to insure a living colt. Money due if mare is traded after being bred. Plenty of grass at \$2.50 per month, saved expressly for mares, no other stock mixed with mares, have grass lots and large stables for mares to roam. Grains fed at cost.

NOTE.—Almont Dare, so far as we are able to discover, is the first horse on record having to his credit the honor of defeating with his own progeny, those of his great sire Dignity Dare, doing so last year every time coming in contact with him. This is a very attractive horse, standing 16 hands with great style. A beautiful bay with manners unparelled even by a filly. A remarkable show horse in harness and under saddle. Shows 5 distinct saddle gaits, all very fast and pleasant, with speed of a minute clip in harness. One cannot conceive of a finer bred horse, tracing 22 times to imported horses, on his dam's side alone traces to Imported Messenger 4 times; Imp. Diamond 2 times; to Imp. Buzzard 3 times; Imp. Glencoe 2 times; Imp. Planors, Castinora, Florizel, Matchem, Fimnap, Blackfast, Traveler and others. This is a rare opportunity to breed to one of America's best at \$15.

Will also stand two good mule jacks at \$8 each. Will make the season of 1908 at my place 2 1/2 miles from Hustonville on Hustonville and Liberty turnpike. Grass furnished in abundance at \$2 per month. Not responsible for accidents.

E. S. POWELL & SON, Hustonville, Ky.

### Morgan Denmark.

This fine stallion will make the present season at the low price of eight dollars to insure a living colt. He has more Denmark blood than any living stallion as will be shown by his pedigree. Morgan Denmark was sired by the noted stallion On Time whose pedigree traces back to the Imported Hedgeford. Morgan Denmark's first dam, Lady Morgan, was one of the best saddle and show mares in Kentucky. She was sired by Stonewall Jackson.

### J. K. BAUGHMAN.

Black jack with white points, 16 1/2 hands high, large head and ears, heavy bone, was sired by Tarkington's Napoleon. J. K. is an excellent mule and jenny jack and a proven foal getter. As a breeder he has been true and proven second to none in this locality. He will stand at the low price of \$9 to insure a living colt. Jennets same terms as mares.

### JOHN.

The noted Sam Cochran Jack has been tried in this locality for 10 years and given satisfaction. He is in splendid condition to make the present season and will stand at the low price of \$7 to insure a living colt. You run no risk in patronizing such a jack.

### BULL.

Will stand a fine Polled Angus bull at one dollar at the gate. He has proven an excellent breeder.

The above mentioned stock will stand at my barn one mile North of Preachersville on the Lancaster and Crab Orchard pike. Mares and jennets grand and reasonable price. My individual attention given at all times and skilled service rendered, but not responsible should any accidents occur. R. G. PETTUS, Stanford R. F. D. No. 4, Bastin Phone 18 F.

THE cabin in Macksville owned by Mrs. J. N. Menefee and occupied by Green Hansford, colored, burned about 6 o'clock yesterday morning. THE time having passed for any one else to enter the race for the Democratic nomination for Congress in the Eighth district, it is now the duty of the Committee to declare, the Hon. Harvey Helm the nominee. For several reasons we are glad to see the certificate of nomination thus handed over. The hard fought battle for the first nomination, his splendid efforts and glorious success in the final race, and the untiring efforts in behalf of his constituents entitles him to such honor and distinction. With the "Tall Sycamore" to lead in the fight for Democratic supremacy in the Eighth this fall, we can not only look forward for a grand and glorious victory for himself but also an unprecedented victory for that chief of chieftains, the Hon. William Jennings Bryan, who is certain to be the leader of the Democratic forces in the great struggle which is soon to come. —Mt. Vernon Signal.

## How to Cure Your Piles

If sufferers from piles and rectal diseases would first try a reliable laxative like Dr. Caldwell's Syrup Pepsin instead of using external salves and suppositories, or having an operation performed, they would save themselves a world of trouble, expense and pain. The reason is that in nine cases out of ten piles are the result of habitual constipation, and when once the constipation is thoroughly cured the piles disappear.

Piles are to constipation what pimples are to bad blood, simply an outward symptom. And just as face lotions aren't half as good for pimples as a good blood medicine, so salves and suppositories aren't half as good for piles as a reliable laxative like Dr. Caldwell's Syrup Pepsin. A 50 cent or \$1 bottle will prove these claims, and every druggist is authorized to guarantee results. Hundreds of people have written us that Dr. Caldwell's Syrup Pepsin is the best pile cure they know of, and it is surely worth a trial from you. Not only will it cure the piles but it will permanently correct bowel trouble so that you will have regular movements. It will tone the stomach and make digestion easy for you. Dr. Caldwell's Syrup Pepsin is the best remedy for constipation, dyspepsia, biliousness, flatulency, and all resultant troubles, such as piles, arising from disordered stomach, liver or bowels. Its gentle action and pleasant taste make it especially suited to children and all who are too weak to stand purgative waters, salts and gripping powders and tablets. A physic is not what pile sufferers need, but steady, easy bowel movements, and these can be obtained by the use of this wonderful remedy. It brings about a permanent home cure at a minimum of expense.

FREE TEST Those wishing to try Dr. Caldwell's Syrup Pepsin before buying can have a free sample bottle sent to their home by addressing the company. This offer is to prove that the remedy will do as we claim, and is only open to those who have never taken it. Send for it if you have any symptoms of stomach, liver or bowel disease. Gentlest yet most effective laxative for children, women and old folks. A guaranteed, permanent home cure. THE PUBLIC VERDICT: "No Laxative So Good and Sure as DR. CALDWELL'S SYRUP PEPSIN." This product bears purity guarantee No. 17, Washington, D. C. PEPSIN SYRUP CO. 119 Caldwell Bldg., Monticello, Ill.
